Skills

HTML, CSS, Bootstrap, Javascript, Vue JS, PHP, Laravel, MYSQL, Oracle, Wordpress, Rest API, Git, Github.

Profile

I am a web developer at fullstack developer with a strong desire to learn things new. I'm already familiar with some frameworks like Laravel and Vue Js. I can work well with a team. I am also an honest and responsible person in getting the job done. I enjoy reading articles and listening to music in my spare time.
